STUDENT COUNCIL

L. to R.: Merton Cooney, Bill Jordan, Bev Heian, Dido Overgard, Betty Halmstad, Sandra Milligan, Gretchen Solie, Marion Miland, Karen Henderson, Richard Krueger, Diane Gibbs, Lois Meyer.

A new type of Student Government has been organized this year in what is known as the Student Council. The Council consists of three members from each class which meets regularly twice a week. The officers of the council are as follows: President, Bill Jordan; Vice-President, Merton Cooney; Secretary, Dido Overgard; and Treasurer, Lois Meyer. Other members are: Arlene Anderson, Betty Halmstad, Sandy Milligan, Gretchen Solie, Marion Miland, Karen Henderson, Dick Krueger, and Diane Gibbs. The Council has quite a list of accomplishments for

the school year. They had charge of Homecoming events, the Red Cross Drive, the March of Dimes, and the calendar for concessions after basketball games. The Council also suggested policies for absence and tardiness, made up the Award Day program, and selected lyceum numbers for the school year "52" and "53".

The installation of the members for the Council was the first of its kind. We hope for more of this. Congratulations to the Student Council.

The acceptance of additional duties and responsibilities is nearly always associated with "growing up" and maturity. This is true of organizations as well as people as they become of age. Our FFA shows a growing and progressive participation in group activities, limited in scope and size while as a young chapter to a gradual expansion to a more "grown up" type of group action program now that we are in our early "twenties". Although the Stanley chapter has for a long time had successful young farm people emerge from its membership, these later years have included the greater number of such young farm leaders as part of its harvest. This indicates a pattern of progress which shows the gradual growing up of our FFA program of work. Given opportunity it is interesting to note how wisely the students with officers from this group act in such a completely grown up manner. The harvest is the excellent leadership found in agriculture through the FFA chapter.

The FHA, Future Homemakers of America, is a club which has existed for a number of years in this high school. With Miss Perman, as advisor, the first meeting was held in September at which time initiation for new members was held. The officers were chosen as follows: President, Bev Heian; Vice-President, Pam Jankoski; Secretary, Nancy Thorpe; Treasurer, Joan Svoma; Historian, Lois Meyer; Editor, Betty Halmstad; Parliamentarian, Delores Draeger. Special events were going on all the time throughout the year.

Last October, about thirty-five FHA members traveled to Bloomer to take part in the District Rally. Stanley had several participants. Nancy Thorpe, who was Stanley's representative at the State Convention last year, gave a short report. FHA week in November was celebrated with displays, clean-up days, a good grooming day, and several other activities. Christmas vacation saw a group of girls attending a slumber party in the gym. A chili lunch was served and breakfast to the early risers. Some of the girls participated in the State Demonstration Contest which was held March 4 and the District March 11. The final program of the year consisted of awards to outstanding members, parents' reception, and style review. The 1952 State Convention will again be held in June at Green Lake.

Much success to you in the future.

The 4-H is a club which has been organized the second semester. The officers are as follows: President, Jeanette Gibbs; Vice President, Bonnie Miller; Secretary, Corrine Eslinger; Treasurer, Lavonne Spath; and advisor, Miss Anderson. The purpose of this club is to learn more about 4-H club work and what it stands for. Our main goal is Junior Leadership.

We have worked on odd jobs to help out other organizations.

These girls take girls' agriculture with Mr. Horn as their instructor.

SCIENCE CLUB

Mr. Goodspeed and his Science Club have been busy this last year trying to organize something worth while for the future years. In his club he does unusual work such as taxidermy, Semaphore Code, and fascinating experiments.

The officers are as follows: George Theirl, President; Duane Beaudot, Vice President; and Dick Knar, Secretary-Treasurer.

Front Row; G. Theirl, J. Pederson, G. Anderson, R. Wellsandt, C. Nelson, G. Rasmussen, D. Wellsandt.

The 1951 - 52 Art Club has accomplished a number of things with the aid of Miss Evans and Bert Robinson. This year the club has increased to a number of 29 strong. Our work has been varied and interesting to those partaking. It includes poster layout, lettering, perspective, plaster molding, painting figurines, portrait drawing, soap carving, and original designing of plates and shelves.

With all this, we were acquainted in the course of our work, with pastels, charcoal, water paint, glaze, and lettering pens and brushes.

It wasn't all work for we also had a lot of fun. We hope to see many new members with us next year who will also be able to enjoy the benefits the Art Club can give.

NEWS PUBLICATIONS

The students who are interested in newspaper work have a chance to display their talents here in Stanley High School. The group meets twice a week during the activity hour.

A space in the Stanley Republican is reserved for them each week. The column is written by students and it includes articles on sports, individual students and affairs going on within the school.

The people who hold office are: Editor, Donna Mae Etten; Assistant Editor, Betty Miland; Feature Writers, Jeri Seidling, Bette Fagan, and Marge Broeren; Student Council Reporter, Marion Miland.

The Stanley Camera Club was begun a year ago under the direction of Mr. Noel Cummins who has given much time, effort and material to make the project effective.

There were many reasons for such an organization. Students wanted to learn what a good picture was; they wanted to be able to handle a camera, and they needed to know how to develop films.

This is a list of some of our projects: building a darkroom, and learning how to take and develop pictures. Some accomplishments are: the darkroom is built - - we have the following equipment - enlarger, printer, film tanks, paper supplies, developer, safety lights, squeegee plates, clock, and thermometer.

Our officers are: President, Art Filipiak; Vice President, Jim Hoffstatter; and Secretary-Treasurer, Ted Koss.

Jerry and Butch are a few of the camera bugs in the school!

RIFLE CLUB

Organized as a co-curricular activity, the Junior Rifle Club met with immediate success. Twenty-five students reported. They signed the club roll and thus became charter members. It is the personal interest displayed by Mr. Isenberger to induce membership to report religiously to practice on Tuesdays and Fridays.

TUMBLING

This is the second year Stanley High School has had tumbling, but it is the first year in which a regular class has been devoted entirely to tumbling. The girls have certain tests they must pass in order to be admitted to the class. While basketball season is on, these girls will entertain the spectators, giving them an exhibition of what they are accomplishing. After basketball is over, their efforts lean toward presenting a spring program for the public. People can see what things their children are learning in physical education throughout the year.

They can do it
perfect now!

INTRAMURAL

An all-around program was set up this year for the boys who didn't participate in Varsity athletics. They have basketball, volleyball, badminton, shuffleboard, etc. These classes were held during the noon hour and from 1:00 to 2:00 in the afternoon. The programs are under the supervision of Mr. Miller and are played in the high school gymnasium. The Basketball Championship was won by the "Bluebirds" under the leadership of Captain Gale Kienholz. Volleyball got under way immediately after basketball was over. Badminton started then, which concluded the Intra Mural schedule.

CHEERLEADERS

Left to right; Carole Smith, Lois Meyer, Gerri Gilday, Shirley Soper and Peg Huls.

So they do have their quiet moments!!!

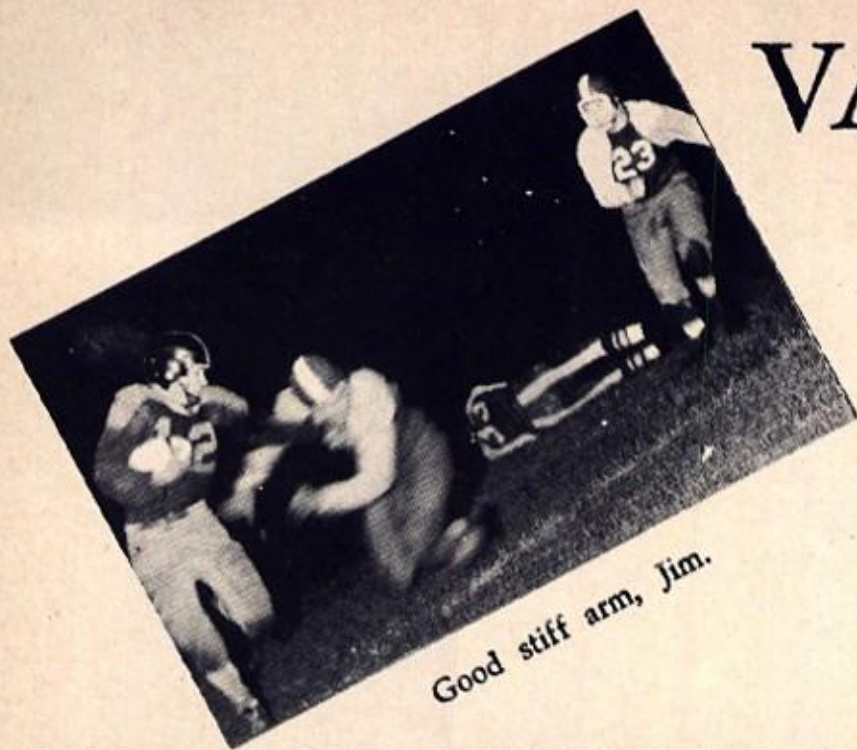

The school is very proud of their cheerleaders who help to cheer the spectators and players when a basketball game or a football game isn't going so well.

There are "A" squad and Jr. High cheerleaders. The "A" squad cheerleaders are chosen by the students. Our thanks to these yell leaders for a terrific job and -- keep up the good work!

STANLEY 26 vs EAU CLAIRE 7

The Stanley Orioles started off the season with a 26-7 victory over the Eau Claire B-team. Stanley scored in the first quarter, twice in the second quarter and again went over the purple goal for a fourth touchdown in the third quarter.

STANLEY 0 vs CADOTT 26

A disappointed crowd watched Cadott victor over the Stanley Orioles, in a 26-0 game. The league leaders were held scoreless until the half, but in the third quarter the roof caved in.

STANLEY 0 vs BLOOMER 31

A large crowd awaited the game between the Blackhawks and Orioles. The Blackhawks were held to a single tally in the first half. But in the second, the Oriole defense let down and the game ended with a Blackhawk victory.

STANLEY 20 vs NEILLSVILLE 14

In the win column once more the Orioles pulled one of the major upsets of the season. Aumann scored first with a strong charging line ahead of him. Molling scored in the second period. Art Ondal intercepted a pass running 40 yards to make the score 20-7. The game ended with the score 20-14.

STANLEY 13 vs ELEVA-STRUM 0

At Eleva-Strum the Orioles gained their second victory. Jim Aumann scored in the first period with Molling running 55 yards for the second touchdown, to end the game with a 13-0 victory.

STANLEY 6 vs THORP 13

Homecoming! An Excitement filled the stands and on the football field. Thorp met a fighting team, but in, the last quarter the Stanley Orioles were outscored 13-6.

STANLEY 0 vs CORNELL 30

Cornell beat Stanley to give the Orioles their second defeat of the season. Both the offense and defense were spirited, but the team was unable to cope with the Green and White.

STANLEY 0 vs OWEN 25

The last game of the season was played at Owen. The Orange and Black played hard, but were outscored 25-0. This left the team with 3 wins and 5 losses for the season.

BASKETBALL

The Oriole Cagers opened their season under Coach Halstead by defeating Gilman in a 37-44 thriller. This was the start of a successful season for the Oriole squad. Most of the players had previous experience under their belts. After getting beat by Cornell, the localites took victories from Abbotsford, Mondovi, Neillsville, Withee, Owen, and McDonell, to end with a record of 9 wins ? losses. Perhaps the best game played by the Cagers was at Thorp when Stanley took a first quarter lead. The score seesawed back and forth until in the final minutes, Thorp stalled out the game to hold Stanley to a 30-31 score. Rixford led Stanley's offense with 11 points as well as doing a fine job on defense.

Front Row; Louis Schumacher, Jerry Berseth, Duane Beaudot, Jack Ragatz, Tod Henning.

PROM 1951

The 1951 Prom was the main event of the year. The Juniors (now Seniors) started to work on the decorating late in February. They chose for their theme, "The Halls of Ivy", and used white and green for their decoration colors.

The first part of May was selected as the best time for a prom. As the date drew near each committee worked fervently. The night finally came, and visitors beheld one of the loveliest proms ever held in the Stanley High School.

HOME COMING - 1951

Stanley High School had one of its most eventful homecomings this year. The celebration began one morning with everybody coming to school looking like tramps. Yes, it was the traditional hobo-day. For afternoon entertainment each class put on a skit in their hobo costumes. The central theme was "to beat Thorp."

At night a huge bon-fire was blazing in Chapman Park. It seemed as if the whole school body was present yelling at the top of their lungs led by the cheerleaders. The next day was filled with even more excitement, and everyone was decorating their respective floats for the parade, but alas it was raining. However, the parade went on with the greatest number of floats the high school has ever had. Everything was rather damp, but the spirit. At night the game was played. The football players played their best game of the season that night, only to lose by a touch-down. The day was climaxed by a dance after the game where the king and queen were crowned.
